Counting Up to 200!!!

Tibbetts Point has been the site of a lighthouse since 1827, so the TPLHS is counting up to a celebration of 200 years of guiding vessels big and small.

This year's activities were focused on informing the public how long the lighthouse has been quietly doing its job. In the June 7, 2017 edition of the Thousand Islands Sun newspaper, there was a full page spread on the lighthouse

and its history. The article was entitled, "Tibbetts Point Lighthouse Turns 190 Years Old." After a long hiatus, we participated in the French Festival parade with a float that won third place in judging! In August, in conjunction with National Lighthouse Day, we joined with the hostel in hosting an Ice Cream Social and Open House. We served over 250 ice cream sundaes to

visitors in three hours! The plan is to have each year's activities reflect a theme leading up to the bicentennial year – 2027.

So, if you haven't been to the lighthouse lately, it's time to plan a visit. And if you are one of our regular visitors, bring a friend. We have a beautiful, unspoiled resource right here on Tibbetts Point. It is ours to enjoy and share.

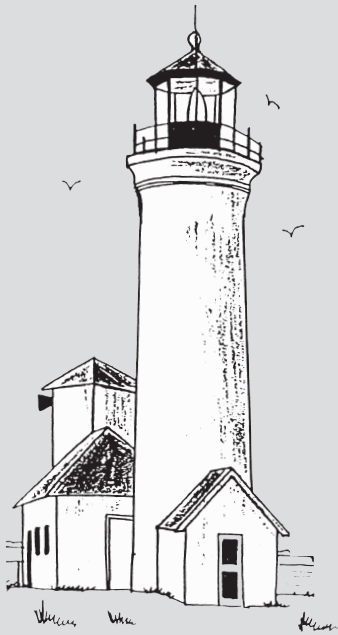

– Thoughts on Summer Past –

Our fear that the very high lake and river level would deter visitors to the lighthouse as well as the complete rebuild of the road to the lighthouse did not come to pass. From Memorial Day to the end of August, we had 7500 sign our guest book, which made it above the average attendance of the past few years. Visitors represented 40 U.S. states, 24 foreign countries from as far away as Bolivia, India, Australia, Ireland, Nepal, Russia, and Tobago, as well as 4 Canadian Provinces.

As usual, we are still looking for volunteers to man our gift shop during the summer months and those who might be interested in joining our Board of Directors. If you are interested and would like to discuss these options, please call John Tucker (315-654-2021).
